Regulatory Policy - Exemption from Audit Requirement for a Regulated Mutual Fund

Page 3 of 6

1. Statement of Objectives To set out conditions where the Authority may exempt a regulated mutual fund ( the fund ) from audit requirements.

2. Scope of Application This Policy is applicable to funds that are required to be audited under the Mutual Funds Law (as amended).

3. Introduction

3.1. Pursuant to section 8(1) of the Mutual Funds Law ( the Law ), a regulated mutual fund shall have its accounts audited annually...

3.2. Section 8(2) of the Law requires a fund to send its audited accounts in respect of a financial year of the fund to the Authority within six months of the end of that financial year or within such extension of that period as the Authority may allow.

3.3. Section 8(4) of the Law further provides that The Authority may, in relation to the whole or part of any financial year of the fund, exempt a regulated mutual fund from the requirements of this section either absolutely or subject to such conditions as the Authority may think fit to impose.

3.4. This document establishes the Regulatory Policy on Exemption from Audit Requirement for a Fund and applies to all circumstances where an audit waiver, or extension, may be needed. Notwithstanding, the Authority expects all funds to comply with the requirement to obtain an audit under section 8(1) of the Law. Consequently, consideration for approval of audit exemptions will be done under exceptional circumstances only.

3.5. Where a fund is seeking an audit waiver in conjunction with an application for de-registration, this Regulatory Policy should be read in conjunction with the Rule on Cancellation of Licence or Certificate of Registration of Regulated Mutual Funds and the Regulatory Procedure on Cancellation of Licences issued pursuant to Section 5 and Certificates of Registration issued pursuant to Section 4 (3), and 4 (1) (b) of the Mutual Funds Law ( Regulatory Procedure ).

4. Definitions Mutual Fund carries the meaning ascribed in the Mutual Funds Law (as amended).

the Authority must be satisfied that the exemption will not contravene any terms of the fund s articles or other constitutive documents and its offering document, or prejudice the fund s investors and creditors. In addition to the documents to be provided pursuant to section 6 below, an operator of the fund should provide written confirmation of the absence of such contravention.

The application fee prescribed in the Monetary Authority Law is payable upon submission of the application for the audit waiver.

The Authority may consider extending the fund s first audit period for a maximum of 18 months from the date of registration. Consideration may also be given to extending the fund s

last audit period for a maximum of 18 months from the date of the last financial year end for which an audit has been filed. In determining whether an exemption should be granted, the Authority shall assess each fund's request on a case by case basis, and after such assessment may consider an exemption in the following circumstances: 5.4.1 a fund has not launched<sup>1</sup> but does not wish to be de-registered; 5.4.2 a fund has not launched and is being liquidated or wishes to be de-registered; 5.4.3 a fund has launched but has been unsuccessful in raising sufficient capital for sustainability; 5.4.4 a fund is unable to obtain audited accounts due to events such as bankruptcy proceedings, legal or regulatory enforcement actions; 5.4.5 a fund has been placed in compulsory liquidation<sup>2</sup> and the Authority is satisfied with the appointment of the liquidator and the scope of the liquidator's review; 5.4.6 a fund is being voluntarily liquidated and a third party liquidator<sup>3</sup> has been appointed under terms that require a review of the period since the last financial year end for which an audit has been filed; 5.4.7 a fund is transferring to another jurisdiction within six (6) months of its last financial year end for which an audit has been filed, or is due to be filed; or 5.4.8 a fund is dissolving by way of a merger within six (6) months of its financial year end for which an audit has been filed, or is due to be filed. The Authority may also in other exceptional circumstances and with absolute supervisory discretion grant an exemption from the audit requirement, upon the submission of information as requested by the Authority and necessary to support the request. 1 Launched means where a fund has accepted subscriptions from investors, admitted the investors and commenced trading with subscription monies. 2 Compulsory liquidation means involuntary official liquidation. 3 Third party liquidator means individuals, serving as liquidators in a voluntary liquidation of a fund, who are not the operators or currently engaged service providers (excluding an Auditor of the fund). The subsequent paragraphs outline the relevant information and documents that should be submitted to the Authority in support of a request for an exemption from the annual audit requirement in each of the circumstances listed in subsection 5.4. Additionally, each request for an audit waiver should be accompanied by an explanation of the reason for the fund's inability to complete an audit. Where a fund has not launched but does not wish to be deregistered, the requestor is required to submit an affidavit from an operator of the fund: (a) explaining the reason for the fund not being launched; (b) explaining the reason for the fund not wishing to be deregistered; and (c) confirming that the fund has not received subscriptions from investors. Where a fund has not launched and is being liquidated or wishes to be de-registered, the requestor should submit: (a) an affidavit from an operator of the fund confirming and explaining the reason why the fund has never carried on business as a mutual fund; and (b) written confirmation from the fund's administrator, registrar and transfer agent, liquidator or other service provider from whom the Authority would be willing to accept confirmation, that no subscriptions have been accepted from investors. 6.1.3 Where a fund has launched but has been unsuccessful in raising sufficient capital for sustainability, the requestor should submit an affidavit from an operator of the fund confirming that the fund has not raised sufficient capital for sustainability, no further subscriptions are being accepted from investors and

all subscription monies received from investors have been returned. 6.1.4 Where a fund is unable to obtain audited accounts due to events such as bankruptcy proceedings, legal or regulatory enforcement actions, or where the fund has been placed in compulsory liquidation, the Authority will receive agreed upon procedures and liquidators reports in lieu of the normal audited accounts. 6.1.5 Where a fund is being voluntarily liquidated and a third party liquidator has been appointed under terms that require a review of the period since the last financial year end for which an audit has been filed, the fund must submit a third party liquidator s report covering the period under such terms, which should include: (a) review of subscriptions and redemptions; (b) reconciliations to bank accounts/statements; Regulatory Policy - Exemption from Audit Requirement for a Regulated Mutual Fund

The Authority may require additional evidence to be provided. 6.3 For funds seeking an audit waiver in conjunction with an application for de- registration, the documents and fee as outlined in the relevant sections of the Regulatory Procedure must be submitted.
