Policy and Development Division Page 1 of 4 Regulatory Policy The  
Approval of an Auditor for a Regulated Institution 1. Statement of Objectives The  
various regulatory laws require that the Authority approve the auditors of regulated  
institutions. This policy will be applied when auditors apply to the Authority for approval.  
It is expected that approved auditors will continue to meet this policy on an ongoing basis.  
2. The Policy 2.1. Assessing the acceptability of an auditor in auditing a regulated institution  
The following criteria will be applied for approved auditors of regulated entities:  
Sufficient Expertise and Resources Continuing Professional Education Quality  
Assurance Reviews Independence Professional Indemnity Insurance 2.2. Sufficient  
Expertise and Resources 2.2.1 The firm should have relevant experience in auditing in the  
respective industry, based on assignments of comparable size and complexity. In addition,  
staffing of the engagement should include sufficient specialized skills appropriate to  
the industry of the regulated institution. In the assessment of resources, the factors  
to be considered would include: (a) whether the local firm is an extension of Issued May

separate legal entity; (b) whether the firm will be undertaking local sign offs or full  
audits; and, (c) the industry sectors which it will audit. 2.2.2 Partners signing off on  
audit engagements, or any member of the firm with authority to sign off the audit, are  
expected to possess an internationally recognised accounting qualification. For the  
purposes of this policy, the following would be considered internationally recognised  
accounting bodies: The Institute of Chartered Accountants in England and Wales, The  
Institute of Chartered Accountants in Ireland, The Institute of Chartered Accountants of  
Scotland, The Canadian Institute of Chartered Accountants, The Association of  
Chartered Certified Accountants, The American Institute of Certified Public  
Accountants, or any other Professional Body or Institute approved by the Authority. As a  
general rule, the Authority would expect partners to have a minimum of five years  
auditing experience of financial institutions at a management level, in the respective  
industry sectors or businesses they are auditing. If a firm should not have partners with the  
necessary experience, the Authority may at its discretion limit the industries or licensees  
which the firm may be approved to audit. 2.3. Continuing Professional Education All  
professional accounting personnel are expected to perform relevant continuing  
professional education and maintain good standing with their international accounting  
body. 2.4. Quality Assurance Reviews 2.4.1 The Authority expects that the firm has in  
place a competent quality assurance process that ensures that the firm's internal and  
any externally imposed standards are being complied with. Issued May 2002 Revised

Policy and Development Division Page 3 of 4 2.4.2 It is expected that the  
quality control process would include: a) Pre-established guidelines requiring concurring  
partner review of the audit procedures and audit work, and, b) Internal quality control  
reviews of the firm's processes and methodology by experts of that firm on a regular  
basis. 2.5. Independence 2.5.1 Independence is important in order to maintain an  
objective frame of mind in accomplishing the audit. All staff must sign off annually on

internal firm independence declarations, and the firm must have clear and comprehensive procedures for ensuring independence in relation to new engagements. a) The applicant firm of accountants should follow the guidance in the International Federation of Accountants (IFAC) Code of Ethics Section 8: Independence when designing and implementing their independence procedures. 2.5.2 If the auditors supply other services to the licensee in addition to auditing, for example internal audit services, the nature and extent of these services should be kept under review by the firm, in order to ensure that the auditors objectivity is not affected. 2.5.3 In addition, audit firms are not permitted to audit financial statements of licensees where it (or a closely related entity, for example, a corporate services company with common owners to the audit firm) prepared the financial statements. 2.5.4 Notwithstanding the examples above, there may be other circumstances that would result in a firm being deemed not independent or objective and audit firms must be vigilant to this Issued May 2002 Revised October 2003

Professional Indemnity Insurance The Authority would expect audit firms to have adequate professional indemnity insurance of a minimum of CI\$500,000 for any one claim and CI\$1,000,000 in aggregate. In meeting this Policy, the Authority would accept an extension of the professional indemnity insurance from a member firm. 2.7. Sanctions Failure to comply with this policy may lead to the removal of the auditor from the list of approved auditors. 2.8. Local Audit Sign-Off This policy applies to all provisions of the regulatory laws where accounts are to be audited annually by an auditor approved by the Authority, and includes the references to approved auditors in the Local Audit Sign-Off Policy for mutual funds issued by the Authority.
